

Disclaimer

The attached Technical Service Bulletins for Cardinal LG Company are provided as a service to our Customers. The Bulletins provide technical information on glass products sold by Cardinal LG Company

This Technical Service Bulletin is issued by Cardinal LG Company. Any customer of Cardinal or other user of this Technical Service Bulletin (collectively, the "User") is solely responsible for determining whether a product purchased from Cardinal is suitable for the User's needs or applications. Although Cardinal may be asked to provide information about its product(s) in a proposed application or make information or its opinions available from time to time, Cardinal will not, by responding to requests for or

otherwise providing opinions or information, including but not limited to providing information contained in Technical Service Bulletins, assume any responsibility for the design or suitability of the User's product(s) in the proposed application, the User's methods, processes or products, to supplement any opinions or information provided or to make further information available. The User will at all times be solely responsible for determining the suitability of Cardinal's or Cardinal's affiliates' recommendations, advice, processes, services, and products for use in the User's own applications and for identifying and performing to the User's satisfaction all quality control tests, analyses, forecasts, and other tests and examinations necessary to assure that the User's products and services will be safe, acceptable and suitable for use under end-use conditions.
