

Consumer Information Sheet

HydroClear® anti-corrosion glass provides permanent protection against the corrosive effects of water, heat, and humidity for a crystal clear appearance that lasts a lifetime.

INVISIBLE. PERMANENT. PROTECTION.

WORLD-CLASS PROTECTION.

ULTIMATE CLARITY.

Unlike aftermarket anti-corrosion treatments and other protected glass products, only HydroClear features a special coating that is fused to the surface of the glass providing permanent corrosion protection that's unmatched for durability and clarity.

Features and Benefits

- Ideal for shower, baths, saunas, pools, and sunrooms
- Prevents unsightly corrosion from water, heat, and high humidity
- Superior hardness and durability
- Crystal-clear appearance
- Limited Lifetime Warranty available

Corrosion Resistance Testing

HydroClear has been tested at high temperatures and high humidity (50°C + 95% Relative Humidity + > 1,900 hours) simulating exposure equivalent to regular use of a shower enclosure over a time period of more than 20 years. HydroClear showed no signs of corrosion.

Cleaning and Care

Clean in accordance with Cardinal's Consumer HydroClear Care and Cleaning Instructions.

- **IMPORTANT NOTE:** Anti-corrosion glass is not self-cleaning, scratch resistant, or fog resistant.
- Regularly clean with traditional non-abrasive household cleaners such as, Clorox®, Greenworks®, Fantastik®, Lysol®, Mr. Clean®, Magic Eraser®, Soft Scrub®, Sprayway®, Ammonia Free Glass Cleaner, Tilex®, Vinegar, or Windex® for optimal results.
- Always use a soft cloth, paper towel, or sponge.
- **NEVER USE** Comet®, Ajax® or other abrasive cleaners.
- **NEVER USE** Brillo® pads, steel wool, or other abrasive pads or brushes.
- **NEVER USE** razor blades or other sharp tools to clean glass.
